

What is iLearn?

iLearn is an employee development site brought to you by Procurement & Supply and accessible to all PS employees via the KP intranet.

Whether you want to earn a certification, learn more about Kaiser Permanente, or enhance your professional skills, there are learning opportunities for everyone with **iLearn**.

What can I learn on iLearn?

iLearn provides access to a wide variety of resources centered on learning and development, with links and recommendations for:

- Professional Development
- New Employees
- Teams and Projects
- Networking and Knowledge Sharing
- Sourcing Management Procurement (SMP) Resources
- Leaders, Managers, and Supervisors

Discover how to obtain certifications, locate learning resources, register for KP Learn and SkillSoft courses, build your team, and more!

What kinds of resources will I find?

Some examples include:

- Team setup and leadership resources
- Safety and environmental compliance training
- Managing change and conflict
- Online professional groups
- MyHR learning opportunities
- Software skill training and certifications
